ECO BOX

PSV PRODUCT

PSV - Second Life Plastic - certified product: the first Italian and European brand of environmental product certifications that guarantees and enables to easily identify the products made with recycled plastic

ECO-FRIENDLY PRODUCT

Product made of material that is fully recyclable at end-of-life
Product sold in packaging compliant with Legislative Decree 116 of 03-09-2020 concerning the obligation of environmental labeling for correct disposal at the end of use. 99% of the cardboard packaging used by the company is made on average with 80% recycled paper

FEATURES

- Made of high quality polypropylene copolymer: light, shock-proof, heavy duty and low-temperature resistant
- Smooth and round surface for easy cleaning
- Pedal opening of the cover which avoids the use of one's hands
- It is equipped with a bag-stretcher and a small cage for deodorant pills
- The pedal is totally inside the bin structure (internal pedal)
- Possibility to fix it to the wall thanks to specific support

MATERIAL

Polypropylene copolymer
